Grade 8 Technical Exercise 2

The first two bars are to be played as notated with the repeat, 4 bars in all. The notated ride cymbal is the bell of the cymbal, the snare is a rimshot, the small note in parentheses is a ghost snare. Following this, a 4 bar development in character with solo/fills and stylistic use of voices is to be given.

Development of the groove, solo and fills.

Grade 8 Technical Exercise 3

A development within the style and character of the notated groove is to be given for the repeat. A variety of fills should be presented. The solo is an opportunity to showcase a creative approach and this remains the responsibility of the candidate. The elements of fills and solo are to display individual stylistic awareness and expression.
